

## COOKIE AND PRIVACY POLICY

The purpose of this Cookie and Privacy Policy is those that are shared by Akinon İnternet Yatırım ve Proje Geliştirme Anonim Şirketi (the "Company") [www.akinon.com] products and / or services on the website ("Platform") To determine the terms and conditions of the cookie and privacy policy regarding the use of information and data.

### Cookie Definition

Cookies are very small text files, usually made up of letters and numbers, that are stored on your computer (or other devices such as a smartphone or tablet) by the websites you visit. Cookies do not contain personal data about visitors such as name, gender or address.

Cookies are created by servers that manage the website you visit. Thereby, the server can understand when the visitor visits the same site. Cookies can be compared to identity cards that show website owners that the same visitor revisits the site.

### Classification of cookies used

#### Cookies and Privacy Policy Terms

1. The Company does not share with third parties the personal data and information obtained due to electronic commerce transactions or transmitted to it by the Users through membership forms or otherwise, except in the cases specified in this Cookie and Privacy Policy and the relevant Disclosure Text on personal data on the Platform. and does not use it for any commercial purpose other than the specified purposes and does not transfer it to third parties.
2. Personal data and confidential information belonging to users; However, if requested by the official authorities and in cases where an explanation is required in accordance with the provisions of the mandatory legislation in force, it will be disclosed to the official authorities.
3. During the use of the Platform by the Users, all credit card transactions and approvals are carried out between the relevant bank or card institutions and the User, independently of our Company, and information such as credit card password is not seen and recorded by our Company.
4. Information entered on the Platform for the purpose of membership, purchasing products and updating information, and confidential information about credit cards and debit cards cannot be viewed by other Platform users.
5. If the confirmation option in the cookie notification warning on the platform is clicked, it is accepted that you consent to the use of cookies. **If you do not confirm, only mandatory cookies will be used.**
6. Your personal data obtained through cookies during your visit to our company's website are collected for legal reasons, provided that data processing is mandatory for the establishment, use and protection of your right to visit our website and that data processing is mandatory for our legitimate interests, provided that it does not harm your fundamental rights and freedoms.
7. Mandatory cookies and analysis / performance cookies cannot be disabled, but if you do not want other types of cookies to be stored on your computer, you can change your cookie usage preferences in the settings section of your browser or proceed without clicking the confirmation

option on our cookie warning screen. Cookie management settings vary from browser to browser, and detailed information about cookies is available under the help menus of modern browsers.

8. Appropriate technical and administrative measures have been taken by our Company or the relevant organization in the systems and internet infrastructure, within the scope of technological possibilities and cost elements, according to the nature of the information and transaction for the security of the information provided to the Company by the users or obtained by the Company and all transactions carried out on the Platform.
9. The Company may update, change or repeal the provisions of this Cookie and Privacy Policy at any time. Any provision that is updated, changed or abolished will be effective for the User at the time of publication. The User's continuing to use the Company's services or products after the change will mean their consent to the changes.

**5. Your rights under the Law regarding your personal data are as follows:**

(a) Learning whether your personal data is being processed, (b) If your personal data has been processed, to request information regarding this, (c) Learning the purpose of processing your personal data and whether they are used appropriately for their purpose, (d) To know the third parties in the country or abroad to whom personal data are transferred (e) To request correction of your personal data in case of incomplete or incorrect processing, (f) To request the deletion or destruction of your personal data in case the reasons requiring the processing of your personal data disappear, (g) Request notification of the transactions made pursuant to subparagraphs (e) and (f) to third parties to whom personal data have been transferred, (h) To object to the emergence of a result against the person himself by analyzing the processed data exclusively through automated systems, (i) To request the compensation of the damage in case of damage due to unlawful processing of personal data.

You can transmit these rights to the Company in writing or by using secure electronic signature, mobile signature or your e-mail address previously notified to the Company and registered in the Company's system, or through a software or application developed for application purposes.
